

Proposed Recon Planning Grp

8 Dec 1967,

25X1

Helms to Flax (letter)

Recommends setting up a Reconnaissance Planning Group to advise DNRO and DCI of emerging problems in NRP and to review planning, recommend studies and provide for expert advice from collection, exploitation, or requirements organizations as appropriate.

This letter was drafted 4 December by NIPE/Bross as a result of discussions between Bross and Flax during July and subsequent months.

NRO review(s) completed.
